B. App Usage

How often do you use such app?

- ☒ Daily
☐ Weekly
☐ Monthly
☐ First-time user

C. App Evaluation (Rate 1–5, 1 = Poor, 5 = Excellent)

Feature/Aspect	Rating	Comments
Ease of use	4	Navigation was simple
Design & Interface	4	Clean layout
Functionality & Features	5	Clock-in/out, attendance, and admin tools worked well.
Performance (speed, responsiveness)	4	Mostly smooth, minor delays
Overall experience	5	Great app for tracking attendance and HR tasks.

D. User Suggestions

What did you like most about the app? The simplicity and accuracy of the clock-in system.

What did you like least or want improved? Add dark mode and clearer error messages.

Additional comments or suggestions: the system feels reliable and ready for real use.

A. User Information

Name (Optional): ____Kyan J. Willard____

Occupation: ____Loader at retail store/peon__

Email (Optional): ____kjwillar@millersville.edu____

B. App Usage

How often do you use such appa?

- ☐ Daily
- ☒ Weekly
- ☐ Monthly
- ☐ First-time user

C. App Evaluation (Rate 1–5, 1 = Poor, 5 = Excellent)

Feature/Aspect	Rating	Comments
Ease of use	4	System is clear and concise with very intuitive design
Design & Interface	5	Very clear and very little clutter.
Functionality & Features	4	Very convenient features such as being able to look up employees and the ability to look at your own schedule
Performance (speed, responsiveness)	5	Very fast
Overall experience	5	A great program that fulfills what I would need of it as far as I am concerned

D. User Suggestions

What did you like most about the app? _____ I like how clear everything is and how easy it is to find things _____

What did you like least or want improved? _____ I'm just a peon at work, so I don't bother with the managerial side of things, so for what I would use it for (ie. Clock in and out, look at and request time off, and other peon activities) it works perfectly. _____

Additional comments or suggestions: _____ None that I can think of at this time, maybe the ability to look at who's working with you on a given day. Maybe like a team schedule for the day. _____
